SmartScan Remote

Infrared control for individual or groups of SmartScan luminaires

SmartScan Remote is an ergonomic, hand-held infrared control for individual or groups of SmartScan luminaires.

Clearly labelled, touch-sensitive buttons provide easy operation for users. The SmartScan Remote is supplied with a unique, robust wall-mounting bracket to store the controller in an easy-to-find location. This can also be fitted with an optional locking kit for security purposes.

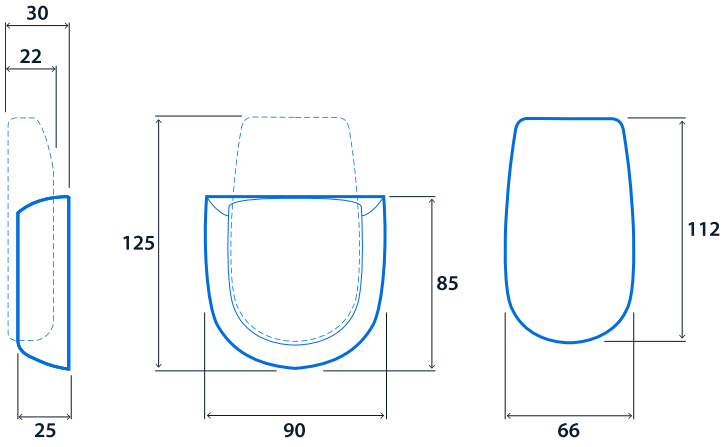

- Tough, impact-resistant polycarbonate body
- Controls individual or groups of SmartScan luminaires
- Touch-sensitive buttons, providing ON, OFF, ECO (automatic control) and individual or group dimming
- Supplied with unique, robust wall mounting bracket
- Optional locking kit available for added security
- Powered by 2 CR2032 3 V battery (supplied)
